

## Implementation Guidance for the Enhanced Health Link Measures

Please join us for a Health Links webinar being presented by the Ministry of Health and Long-Term Care, Health Quality Ontario, Health Shared Services Ontario and the Local Health Integration Networks

**Thursday July 26, 2018**  
**12:00 p.m. – 1:15 p.m.**

[REGISTER NOW](#)

### Learning Objectives:

- Provide an update from the Health Link Measures and Implementation Task Group
- Highlight changes made to the Health Link measures and technical definitions launched previously this year
- Understand the implementation and data collection process using different technical modalities including CHRIS, SHIP and manual data collection

### Presenters:

**Nadia Surani**, Ministry of Health and Long-Term Care, Manager Interprofessional Programs, Health System Accountability Performance and French Language Service Division

**Dave Pearson**, Pan-LHIN Health Links and Health Links Measurement Implementation Co-Chair, Central West Local Health Integration Network, Director, Sub-Region Planning & Integration – Dufferin/Bolton/Caledon

**Paula Greco**, Senior Lead, Program Evaluation, Champlain Local Health Integration Network

**Heebah Sultan**, Senior Health Data Analyst, Health Shared Services Ontario

**Fiona Williamson**, Business Lead, Health Shared Services Ontario

**Michael Spinks**, Director Quality, Technology, Analytics and Performance, South East Local Health Integration Network

**Kim Kinder**, Quality Improvement Team Lead, Health Quality Ontario
