

Patient Registry Implementation: Next Steps

Please join us for a Health Links webinar being presented by Health Shared Services Ontario, ICES, the Local Health Integration Networks, and Health Quality Ontario

March 27, 2019
12:00 p.m. – 1:00 p.m. (EST)

[REGISTER NOW](#)

Objectives:

- Hear where we are now with the Health Links Patient Registry
- Learn why it is important to have a Patient Registry to evaluate the impact on patients and the system
- Understand how the process will work for the disclosure of Health Links Patient Registry data from Client Health and Related Information System (CHRIS) to ICES

Speakers:

David Pearson, Pan-LHIN Health Links and Health Links Measurement Co-Chair, Central West Local Health Integration Network (LHIN) and Director, Sub-Region Planning and Integration- Dufferin, Bolton, Caledon

Dr. Walter Wodchis, Associate Professor, Institute of Health Policy, Management and Evaluation, University of Toronto, Research Scientist, Toronto Rehabilitation Institute, Adjunct Scientist, Institute for Clinical Evaluative Science

Heebah Sultan, Senior Health Data Analyst, Information Management, Care Innovations and Planning, Health Shared Services Ontario

Reena Tabing, Clinical Program Lead, Client Services, Care Innovation and Planning, Health Shared Services Ontario

Moderated By:

Lorri Eckler, Health Quality Ontario, Director, Quality Improvement, Program Delivery
